

# somerset ENHANCED VELVET 225

## Specification Data Sheet

### Product Description

Mouldmade of 100% cotton, this single-sided radiant white paper yields exceptional depth of color with a velvety fine art texture. The surface of the paper becomes an inherent part of the finished print, without overwhelming the image, but adding a fine art element to the composition.

-Available in 225gsm single sided sheets

### Application

Photography, Portrait, Posters, Graphic Art Reproduction
